Session I - June 7-13 2010

Session II – June 28-July 4

## For Intermediate to Advanced Riders

Mon-Thur 8:30 a.m. – 3: 30 p.m.

Fri – Sun. PSJ horse show in Aiken, SC (overnight trip)

We will be learning the fundamentals of the hunter/jumper discipline, as well as doing a lot of trail riding, cross country jumping, and trick riding lessons! Lunch and snacks will be provided, and during the afternoon while the horses are having a rest we will be doing fun activities and learning fun horse facts to further the knowledge of the students. Riders will get to ride their own horses as well as getting experience with riding some of JTF's young/green horses.

### There will be two fun filled field trips:

Wed. In order to give our horses a nice little break from ring work we will be going to a local preserve to have fun on their long sandy trails. A day of relaxation and fun for horse and rider!

Fri – Sun. To show off their new skills at the end of camp we will be going to an out of town PSJ sanctioned horse show in Mullet Hall, SC for session I, Aiken, SC for session II. This will give the kids great experience in the show world. We will be leaving early on Fri, stay overnight, show Saturday and Sunday, and leave Sun. once all of the students have shown in there perspective divisions. Camp includes one division per show day, if you would like to show in an additional division per day it will be \$40 extra per day.
